

— NEW TEAM MEMBER ANNOUNCEMENT —
TERRY BOURBEAU
APRIL 28, 2022

Terry joins our team after working in Industrial Sales for 30+ years, primarily selling raw steel materials to Original Equipment Manufacturers' and their processors. He began his career at Babcock and Wilcox in 1986 in Chicago for their Tubulars Products Division. From there in 1992, he went into distribution working for Chicago Tube and Iron Company selling smaller than mill quantities. Finally he joined Metalloy Company in 1994 as a Midwest territory sales representative until he started his own company, TK Metals LLC in 2017. He is a 1985 graduate of Illinois State University with a degree in Business Administration.

Terry and his family reside in St. Charles Illinois. In his spare time he participates in Friday night bowling leagues and weekend billiards tournaments, is an avid walker and golfer and helps his wife in their gardening endeavors.
