PRODUCT INNOVATION TO ENHANCE SAFETY COMPLIANCE

Our line of sensors and safety products are an essential part of a complete safety program. They are designed to meet the ever increasing demand for safety in today's manufacturing and assembly facilities. From optical sensors, locking devices, light curtains, relays and scanners, we have the right products and leading technologies to ensure a safe working environment.

SAFETY LIGHT CURTAINS

SAFETY LASER SCANNERS

SAFETY SWITCHES

MAGNETICALLY CODED SENSORS

SAFETY RELAYS

SAFETY LOCKING DEVICES

SAFETY FENCE SYSTEMS

SAFETY EXHAUST VALVES

APPLICATION GUIDE

| PRODUCT | PNEUMATIC | HYDRAULIC | ELECTRO-MECHANICAL |
|------------------------------|-----------|-----------|--------------------|
| Fire Sleeve | | X | |
| Hose Guarding | | X | |
| Locking Devices | X | X | X |
| Magnetically Coded Sensors | X | X | X |
| Redundant Safety Valve | X | X | |
| Rod Lock | X | | |
| Safety Exhaust Dump Valve | X | | |
| Safety Fence | X | X | X |
| Safety Light Curtains | X | X | X |
| Safety Relays/modules | X | X | X |
| Safety Switches | X | X | X |
| Spool Position Sensor | X | X | |
| Two Hand, No Tie Down Module | X | | X |

Flow Products has partnered with market leading suppliers to offer an extensive portfolio of safety products selected to meet the safety requirements of the markets we service. The wide base of suppliers assures our customers get the right product for their specific application with the right performance, excellent service levels and at a competitive price.

POWERFULLY SMART SOLUTIONS

Our dedication to market leading service levels is always evolving. We work to meet all your requirements and strive to provide additional services that enhance the purchasing experience.
